1. As an AI engineer, we can predict whether an employee is likely to resign based on features such as age, salary hike, and bonus.

2. Stage - 1 Machine Learning

   Stage - 2 supervised learning

   Stage - 3 classification

3. Employee resignation prediction

4.

Emp name	Age	salary	bonus	Label
raj	24	40000	5000	No resign
kumar	50	60000	2000	resign
bharat	30	55000	4000	No resign
